

# COLLECT BOOKS IN YOUR SCHOOL AND CHANGE THE LIVES OF CHILDREN AROUND THE WORLD!

## 1. Make a poster

A great way to get your whole community to take action on a global scale is to make a poster that catches their attention and put it in as many places as possible.

## 2. Start your collection

Ask your community to bring in any picture books that they are no longer using. Collect them in school and keep them in small cardboard boxes. This will make it easier when posting them.

## 3. Visit your post office

Once your collection is complete, give each of the children in your school a box of books to take home. Their job is to seal the box, visit the post office and find out how much it will cost to send to India.

## 4. Raise the money for postage

Once each child understands how much it will cost to send their box to India, it is now time to raise the money to make this happen. There are many ways in which you can fundraise the postage cost. Get creative!

## 5. Change the world!

When your books arrive into India, they will be sent to the children that need them the most. Giving a child the chance to be educated is one of the greatest gifts you can give.

**Changing the world has never been this easy, but we need to work together to create the biggest difference possible!**
